Residential on 0.12 Acres

Welcome to a beautifully remodeled mid-century home that combines classic charm with modern upgrades. 3 bedrooms, 2 full bathrooms, 1,741 sq ft of living space on a generous 5,227 sq ft lot. This home delivers the best of both worlds: the charm of a 1950s build with all the comforts of a contemporary remodel. Everything feels brand-new—kitchen, tiled baths, paint, floors—while retaining the warmth and scale of a traditional single-family home. The basement has the second bathroom, / laundry room, a living area with a wood stove for an additional heat source. Followed by two rooms that do not meet the bedroom requirements for egress but could be used for a 3rd / 4th bedroom, office or flex space of your choosing. Great for families, downsizers, or investors, College Students! Located within walking distance to TVCC, this would be a great rental property for the school year. Outback is an oversized covered patio area for entertaining to keep you out of the evening sun. Fully fenced backyard for kids and pets.

Built in 1950
