Residential on 0.26 Acres

The Preserve, Eagle, ID

Welcome to 751 Foudy, where everyday living feels like a retreat. Set on a quarter-acre corner lot with no rear neighbors, this home in The Preserve offers space, privacy, and a sense of calm. Inside, natural light pours through vaulted ceilings, connecting the living, dining, and kitchen spaces into one inviting hub. The kitchen, anchored by a generous breakfast bar and walk-in pantry, makes both casual mornings and lively gatherings effortless. Off the entry, a private office sets the stage for focus, while upstairs a flexible bonus room—or fourth bedroom—opens to sweeping views of the foothills. Beyond the walls, life flows outdoors: a pergola-shaded patio for summer evenings, fruit trees and roses for color, and raised garden beds ready for your green thumb. A large three-car garage with utility sink and filtration system keeps things practical. Meanwhile, the neighborhood offers pools, walking paths, playgrounds, and ponds—all paired with top-rated schools and close access to Eagle's™ shops and dining.
