PREPARE TO BE MOVED.. This timeless 1920s Craftsman is full of character, warmth, and room to grow. From the moment you step through the front door, youâ€™ll feel the charmâ€”original details, rich hardwood floors, and spaces made for gathering. The generous living room and formal dining room are perfect for family dinners or holiday celebrations, and the kitchen offers plenty of room to cook together. A sunny bonus room is great for playtime, homework, or just relaxing. Upstairs, the 900 sq ft primary suite is more than a bedroomâ€”itâ€™s your own private wing, with space for a nursery, fitness area, or the closet of your dreams. With two hot water heaters, no one waits for a shower. Downstairs offers five more bedrooms, a cozy family room, and a wine cellarâ€”ideal for guests, teens, or movie nights. The shop out back gives you even more space for hobbies, storage, or future projects. This is the kind of home where memories are madeâ€”come see it for yourself.
