Sky Mesa, Meridian, ID

Welcome to this beautiful single-level home in coveted Sky Mesa, located on a cul-de-sac street. From the moment you step inside, you'll sense how every detail has been thoughtfully considered to create every upgraded space. The true heart of this home extends into the backyard, a sanctuary designed by Stack Rock Landscape Architecture with more than \$60,000 in upgrades. Picture mornings spent with a cup of coffee beneath the pergola, evenings hosting friends on the expanded flagstone patio by a fire pit, or quiet moments surrounded by a landscape that was created to be as livable as it is beautiful. Inside, the warmth of LVP floors flow through the open living spaces, creating a seamless backdrop for gatherings. The gourmet kitchen is designed for connection, with an oversized island that invites everyone to gather, a butler's pantry for added elegance with a barn door, plus a huge walk-in pantry. The primary suite has an oversized full tile shower, walk in closet and oversized windows to let in all of the light! Two spacious bedrooms & Jack-and-Jill bathroom provide privacy & flexibility. With miles of walking paths, two resort-style pools, playgrounds, basketball court & green spaces to create a sense of community. Blocks away, you'll find the YMCA, Discovery Park, quick freeway access, and all the shopping & dining Meridian has to offer. Eagle Rd work to be complete in November.
