Gorgeous engineered hardwood floors, custom cabinetry, and granite counters create a warm, elegant feel throughout the open-concept living, kitchen, and dining areas—perfect for entertaining or everyday living. The spacious layout accommodates a large dining table and offers great flow between indoor and outdoor spaces. The true main-level primary suite features a spa-like bath with a soaking tub, while an additional main-level bedroom (or office) adds flexibility. Upstairs you’ll find two more bedrooms and a generous bonus room.
