4 Bedroom, 2.00 Bathroom, 3,000 sqft

Residential on 3.19 Acres

0 Not Applicable, Caldwell, ID

This home is a wonderfully remodeled home featuring a comfortable living area on the main floor and 3 very unique bedrooms on the 2nd floor. Purely a country setting on 3.19 acres, that is fenced for pasture, has an orchard with multiple fruit trees, and a spacious yard with wrap around sidewalk all around the house with a 15' x 40' back patio off the eating area. Newer floors and paint throughout. Granite counters in the kitchen that includes all of the appliances. There is a huge walk in Pantry that is also the laundry area. A comfortably spaced area for the eating area takes you right out the back patio doors to the large patio and spacious yard. Inside you have a very large living room and a large family room as well facing the front of the house. Off of the family room is the Master suite with a very large bathroom featuring heated marble floors and a large walk in shower. The garage is approx. 20' x 20' and has a 16' x 7' insulated OH door with a man door out the side. The furnace, owned water softener system, and an Anion water filtration system is also in the garage. Upstairs you will find one of the more unique bedroom layouts you have likely ever seen. Two of the three bedrooms open out on to second story decks that look to the north and the other to the south. The three bedrooms are roughly 11 x 19' AND they all have 8'x19' sloped ceiling closets! Definently come see!!!
