5 Bedroom, 3.00 Bathroom, 4,722 sqft

Residential on 1.86 Acres

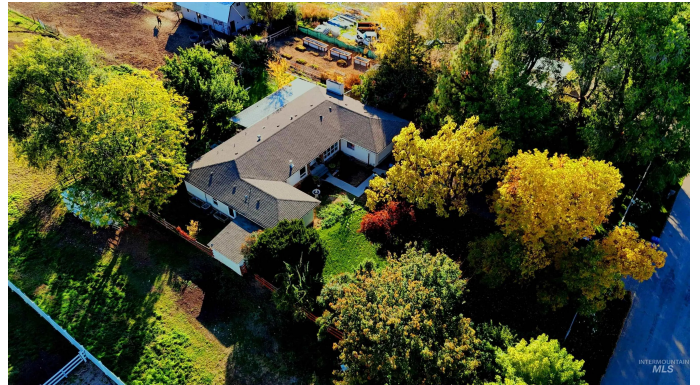

Burnett Harvey, Boise, ID

One-of-a-kind AMAZING is the best way to start describing this property! Owner has customized the home from top to bottom with vaulted ceilings, open spaces, and luxuriant living. The kitchen, dining, and living area are incredible. From the 5 bedrooms, 4 fireplaces, 5 ovens, a spacious kitchen, and a butlers pantry, the interior has everything you could ask for and more. There's almost no end to the amount of storage space, plus instant hot water for the bathrooms. And from the outside, the canopy of many beautiful species of trees provides great shade in the summer and color in the fall; as well as privacy. The fruit trees (bing cherries, golden delicious and honey crisp apples, dark purple plums, and more), a separate garden, and greenhouse are great for a gardener's delight. There's room to graze and house animals and livestock, or room for a tennis court, swimming pool, or for an ADU housing. Too much to write about, this is a must-see!
