Best of both worlds...located on the edge of the city limits, this great property features a country feel and views with city amenities! No neighbors on three sides and far reaching views to the west of the Weiser Flat and Indianhead from your front porch! You are going to love this home with it's open concept living area with vaulted ceilings makes the space feel so open! The kitchen features two pantries, updated appliances, granite countertops, an island and separate eat-in breakfast bar. The nice sized master features a walk in closet and bathroom with new walk-in shower. Split bedroom layout with 2 additional rooms at the other side of the home. The upstairs bonus room is currently being used as a 4th bedroom with a walk-in closet. Recent updates include new carpet, new ductless unit upstairs, and the furnace is only a few years old! The back yard has so many great features; full vinyl fence, yard area, firepit, 20' x 25' concrete area for a pool, basketball court or additional off street parking, deck, gazebo, and more...this is outside living! Full sprinklers serviced by an irrigation well. Great close-in location to schools and town. Additional parking on the south side of the garage for your toys or RV. No HOA or CCRs! Better than new!!
