Hazelwood Village, Boise, ID

Welcome to one of South Boise's most delightful surprises – a home with the perfect layout that beautifully blends modern comfort with timeless design. Tucked inside the highly sought-after Hazelwood Village, this single-level Asbury Construction home offers the best of both worlds: the ease of low-maintenance living and the warmth of a neighborhood where life still happens on front porches. Step inside and you'll instantly feel the openness – bright, airy spaces connect the gourmet kitchen, dining, and great room in a layout that's perfect for both daily life and effortless entertaining. The kitchen itself shines with quartz countertops, a large island for gathering, stainless steel built-ins, and a farmhouse sink that somehow makes doing dishes feel charming. Outside, the private courtyard entry offers a quiet escape – your own little sanctuary for morning coffee or evening unwinding. And just beyond your front door, Hazelwood Village brings resort-style living to South Boise: two private pools, a clubhouse, community concerts on the green, and even a gated dog park for your four-legged family members. It's easy to see why this is one of Boise's most loved and established neighborhoods – where every detail, from the home itself to the community around it, feels designed to make life a little more beautiful.
